**Menu subject to change**

School Food Service departments across the country continue to experience food supply chain issues. Main entree and several potato products and several disposable items are among the latest challenges for our food service department to purchase. St. Andrew is committed to providing nutritious meals to our students. Please know that menus are subject to change, that we will do our best to get as "close as possible" substitutes for items that are unavailable. Your continued patience and understanding are appreciated.

Lunch Price \$3.35  
Milk \$.50

Ala Carte items will be available for purchase daily.
